

AYLESBURY SURGERY
PATIENT PARTICIPATION GROUP
AGENDA FOR THE MEETING TO BE HELD
ON 10th FEBRUARY 2016

1. Apologies:- Mr G Nandra. Work commitments, and Father Smart Ash Wednesday Service.

2. Two of our young ex- patients wish to donate £20 raised from making and selling Lavender Bags to the two charities mentioned below via the PPG .Approval please.

(a) John Taylor Hospice .Dr Bhomra to deliver to the hospice.

(b) A new charity set up by Mr Raj Mehta. Details to be announced and Mr Mehta to include in the charities finances.

3. One of the patients suggested that a coat hook be placed in each surgery and Treatment room for patients to hang their coats and handbags on whilst they are being treated or examined. Comments please.

4. A suggestion was made that some of the seats in the waiting room had back supports that felt very flexible and weak and should be exchanged for something stronger – comments and perhaps suggestions for raising funds please.

5. Mrs Locke noted that some of the screws holding down the threshold strips at the front of the lift doors , both upstairs and downstairs, were missing and action is needed for reasons of health and safety.

6. A suggestion has been made that Dr Bhomra makes an approach to Kingsthorne School for a link to be developed between the practice and school in the interests of good community relations. Ie: a talk to the children on how to maintain their future good health.

Agenda prepared by Mrs J Locke.

10 th February 2016.
